INTEGRATIVE CARE

Ketterl
Integrative Health
and Cancer Care

WELCOME

It is important to understand that we will not file with your insurance for Dr Ketterl's services, and the services are not covered by insurance.

We can provide a billing statement, which you may submit to your insurance company for reimbursement. It is unlikely that the service will be covered.

If you are currently in the care of a Humanizing Medicine Mistletoe Package, your Initial Consultation is included with your package. Otherwise, your Initial Consult costs \$500 and is due at the time of service.

The initial consult includes:

- Record review, and discussion of these records
- Education about conventional, integrative or alternative choices... as well as
- A review of your health in general and the cancer in specific, and
- A plan and guidance to treat the whole person and your cancer will be discussed.

The consult may occur in person, online per Skype or per phone, as you prefer.

Consultation follow-ups are \$110 up to 45 minutes and \$30 per each additional 15 minutes for each session.

We will be glad to discuss our plan with your primary care physician or your oncologist per your choice.

Some email follow-ups are included in this care as the primary means of communication between appointments.

Regular follow-ups are expected by phone, Skype or in-person at the rates indicated above if
